

# 2023 Impact Report

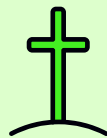

# We're here to change lives. To be the salt and light of the world.

For decades, Adelfi has used its resources to fulfill the Great Commission and reach every corner of the earth. How do we do it? It's quite simple. When you entrust your God-given resources to Adelfi, you affect the world for Christ through purposeful investing and giving. It's the kind of impact you can only make by aligning your finances with your values.

## Adelfi at-a-Glance

Adelfi has now grown to **13,500+** consumer, non-profit and for-profit Christian members.

For **60 years**, we've collaborated with those of shared faith to create positive change.

In 2022, we started our Give Back program where we **give back 10%** each year to missionaries and non-profits globally.

## **AdelFi Giving: A Year in Reflection**

2023 was a remarkable year. As I reflect on the work that God has done through the members and staff of AdelFi during the challenges and triumphs in 2023, one guiding principle stands out—our commitment to giving from a biblical perspective. At AdelFi, we exist to advance God’s kingdom. We do this as we come together in pooling our financial resources, so that each member of AdelFi impacts many. We believe in the transformative power of generosity and compassion as modeled by Christ and the early Church in the scriptures. In 2023, we continued to witness the impact of extending a helping hand, offering hope, and spreading God’s love to those in need.

## **Serving the Community**

Our commitment to serving local communities has been unwavering. From partnering with local shelters, to providing food for the homeless, and volunteering at a youth camp for children whose parent(s) are incarcerated, our employees use allotted time off to support local churches and ministries in these types of initiatives which fulfill our purpose of advancing God’s kingdom.

## **Global Impact**

Beyond our local surroundings, we seek to make a difference on a global scale. Through strategic partnerships with mission sending organizations and thousands of missionaries based in over 150 countries across the world, we have facilitated international money movement in support of missionary work, in many instances where other banks are unable to or refuse to do so. In addition, we directly supported international ministries whose main purpose is to show God’s love in action. From providing water to remote African villages, supporting Bible translations to unreached people, or providing shelter to abandoned children stricken by war, we’ve strived to embody Christ’s teachings to feed the hungry and to make disciples of all nations.

## **Gratitude and Hope**

We extend our deepest gratitude to all who have journeyed with us. Your support, dedication, and membership have been the driving force behind our efforts to help spread the Gospel to the ends of the earth.

As we step into the future, we do so with hearts full of hope, knowing that together, guided by a Christ-centered faith and inspired by love, we can continue to illuminate the world with the transformative power of Christ through our giving.

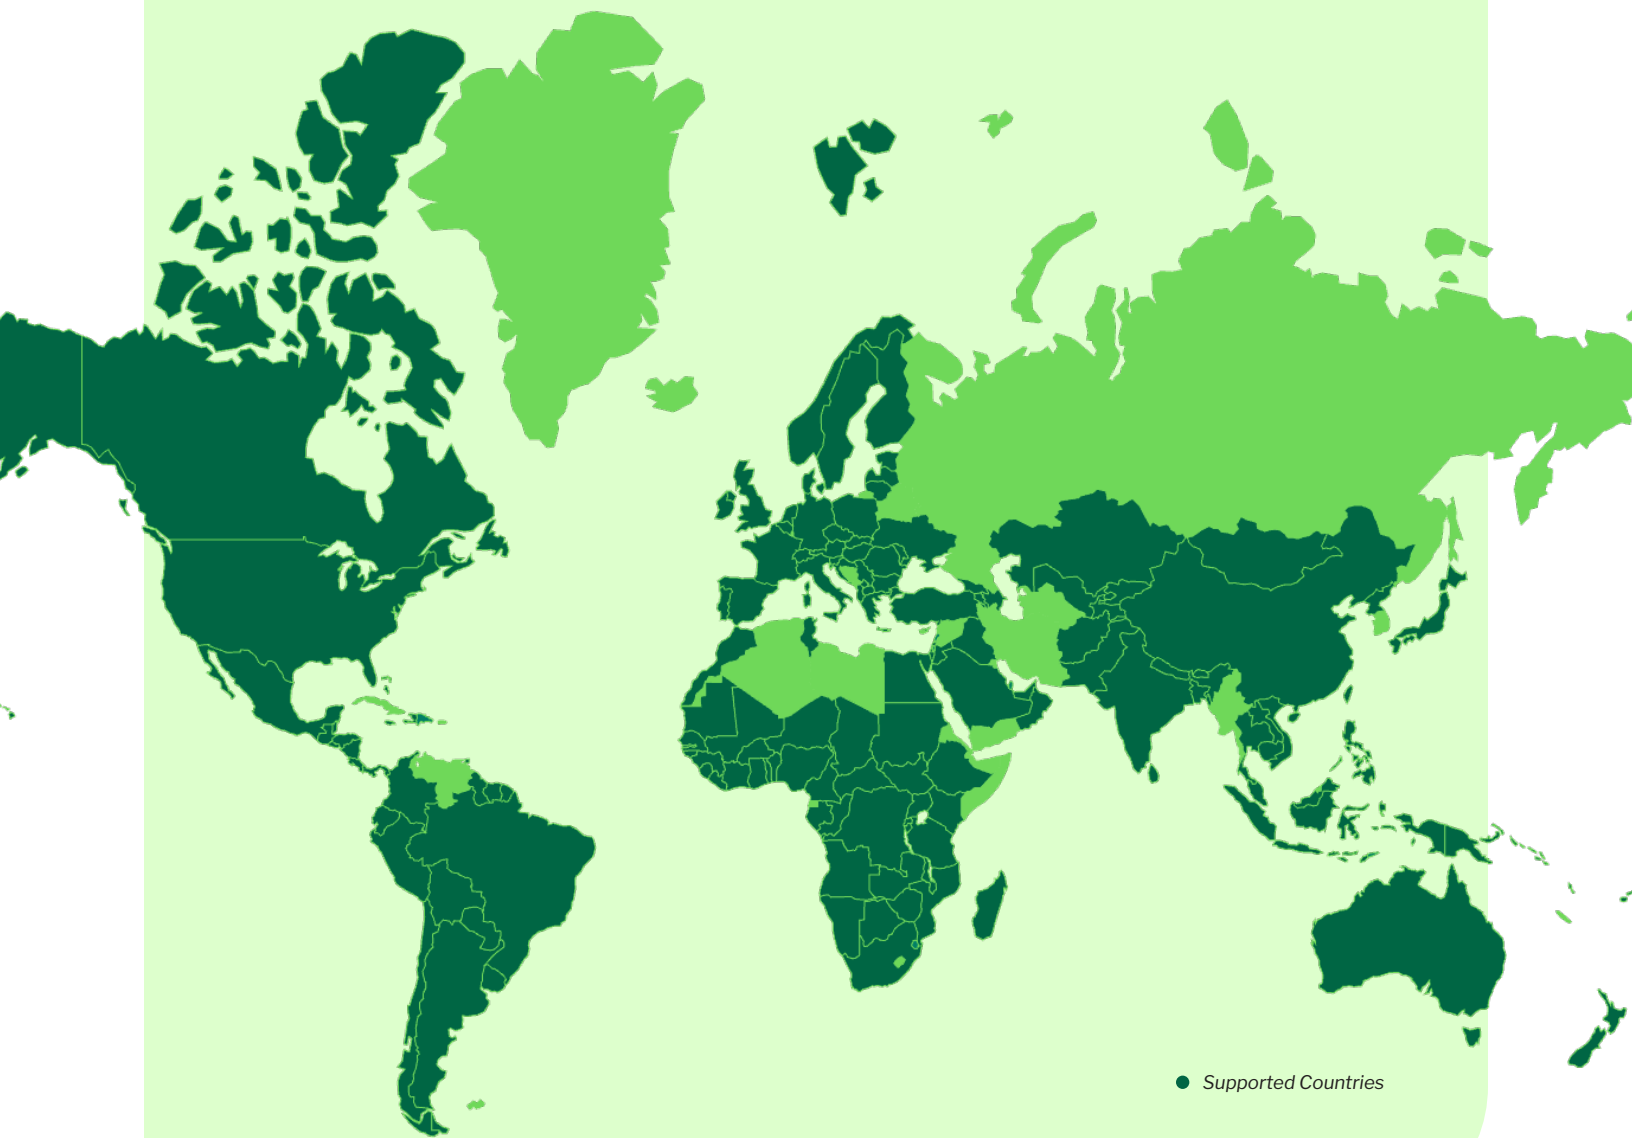

May God bless you abundantly in 2024 and may the spirit of giving continue to shine brightly in all that we do.

## The Power of Partnership

Across the globe, AdelFi members partner with fellow believers to steward God-given financial resources and substantially affect the world for Christ. Here are some of those incredible partnerships.

Lifewater is a Christ-centered organization that believes every child and family deserves access to safe water in the world's most marginalized communities. They construct long-lasting, safe water solutions that utilize local ingenuity, safe water needs, and supplies that community leaders can access.

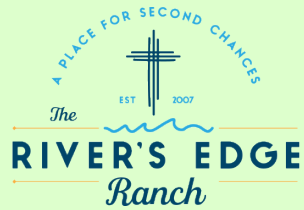

AdelFi is proud to support Lifewater's mission to provide access to safe water, hygiene training, and hope—one village at a time.

Camp Agape California helps children, who have one or both parents in prison, learn how to build healthy relationships. This free 4-day camp experience allows kids to be kids through fun activities that facilitate healing and restoration. Volunteers are committed believers who help disrupt the pandemic of intergenerational incarceration by sharing the Gospel of Jesus Christ.

AdelFi is proud to support the restoration of joy, laughter, and hope in the lives of these precious kids.

The River's Edge Ranch has helped men who seek to recover from substance abuse. With a proven, multi-phase approach that effectively integrates the use of manual labor, animal-assisted therapy, service to others, faith, and mentoring support, they restore and transform the lives of the many who have successfully completed the program.

AdelFi is proud to support the basic needs of these men as they build a new foundation in Christ.

# AdelFi's Culture of Service

At AdelFi, we're committed to the truth of Mark 10:45, that we are not here to be served, but to serve. We live this out by giving employees the opportunity to volunteer by using paid time off. These paid Serve Days give AdelFi staff the ability to use their time and talents in support of faith-aligned non-profits in need of support.

Employees are given **2 paid days to serve** during work hours

In 2023, **750 hours** were served to ministries and non-profits
